Bill of Quantities

1. Preamble:

- a) The Price Schedules shall be read in conjunction with the Notice Inviting Tender, Instructions to Bidders, Conditions of Contract, and the Addenda (if any).
- b) The quantities given in the Bills of Quantities are estimated and provisional, and are given to provide a common basis for bidding. The basis of payment will be the actual quantities of work ordered and carried out, as measured by the Engineer, (accepted by the Contractor) and valued at the rates and prices bid in the priced Bills of Quantities, where applicable, and otherwise at such rates and prices as the Engineer may fix within the terms of the Contract.
- c) The rates and prices in the priced Bill of Quantities are for complete and finished items of the work in all respects. The rates and prices shall, except insofar as it is otherwise provided under the Contract, shall include all necessary survey work, plants, tools, machinery, labour, compliance of labour laws, supervision, materials, transportation, handling, loading & unloading, storage, fuel, oil, consumables, electric power, water, all leads and lifts, all temporary works, stacking, provision & maintenance of all temporary works area, construction of temporary stores, night working, inspection facilities, safety measures for workmen and road users, mobilisation and demobilisation, establishment and overhead charges, labour camps, contractor's profit, **all taxes (except GST)**, insurance, royalties, duties, cess, Octroi and other levies and other charges together with all general risks, liabilities and obligations set out or implied in the Contract. **GST shall be paid extra.**
- d) The cost of all the items as detailed in the Tender conditions shall be deemed to have been included in the rates and prices in the priced Bill of Quantities unless otherwise specified in the Contract.
- e) A rate or price shall be quoted against each item in the Price Schedules, whether quantities are stated or not. The cost of items against which the Bidder has failed to enter a rate or price shall be deemed to be covered by other rates and prices entered in the Bill of Quantities.
- f) The whole cost of complying with the provisions of the Contract shall be included in the items provided in the priced Bill of Quantities, and where no specific items are provided, the cost shall be deemed to be distributed among the rates and prices entered for the related items of the Work.
- g) The description of items in the BOQ are not exhaustive, and hence the Contractor shall be required to execute all necessary works required for

Signature of the Tenderer

completion of the concerned item of the BOQ in accordance with the Contract.

2. Measurement and Payment

- a) As already stated under Clause 1, Preamble, the prices and rates quoted shall be comprehensive and must include for complying in all respects with the Bill of Quantities, Instruction to Bidders, Conditions of Contract and other relevant provisions of the Contract.
- b) No claims for additional payment will be allowed for any error in detailing or misunderstanding by the Contractor of the work involved.
- c) The measurement shall be made as per the Bill of Quantities and other relevant provisions of the Contract.
- d) Payment shall be made as per Section-3: Conditions of Contract.
- e) The measurement for item no. NS-1 shall be in the numbers.
- f) The Contractor has to record village wise list of the transplanted trees. The information must contain the following details minimum
 - i. the type/ Species of the tree,
 - ii. Girth of the tree,
 - iii. tree identification number (if any),
 - iv. original location and transplanted location.
 - v. Distance between the original location and transplanted trees.
 - vi. Date of the Transplantation
 - vii. Present status (survived/ non-Survived/ dried/sprouting etc.).
 - viii. The above list is not exhaustive.
- g) The measurement for item no. NS-2 shall be in the kilometers (Km) transported. The distance shall be measured from the original place to transplantation location. Payment towards the additional transportation beyond 100m shall be made on the basis of the distance travelled. The measurement shall be made nearest to 0.10 Km.

3. Procedures for Payment

- a) The Employer shall make interim payments to the Contractor in accordance with the provisions of Clause 5 of Section-3: Conditions of Contract and other relevant provisions, as certified by the Engineer or such person (NHSRCL's representative) on the basis of the progress achieved for the items of works/stages of the works.
- b) Format for the Contractor's application for payment shall be agreed between the Engineer and the Contractor.
